Storm Doors

50
EST. 1977

CELEBRATING 50 YEARS *of* PURPOSE

STORM DOOR FEATURES

A Smooth function is essential. That's why we include a quality door closer in every storm door package. Our air release system delivers a continuous, controlled closing action, eliminating the delayed rebound associated with previous-generation closers.

B Extruded aluminum frame with rounded cove molding along the glass edge enhances the beauty of the door.

C All our storm doors are constructed with tempered safety glass.

D Color matched aluminum installation screw covers ensure a finished look.

E Non-operable sashes are secured by our color matched polycarbonate clips or an internal sash lock system.

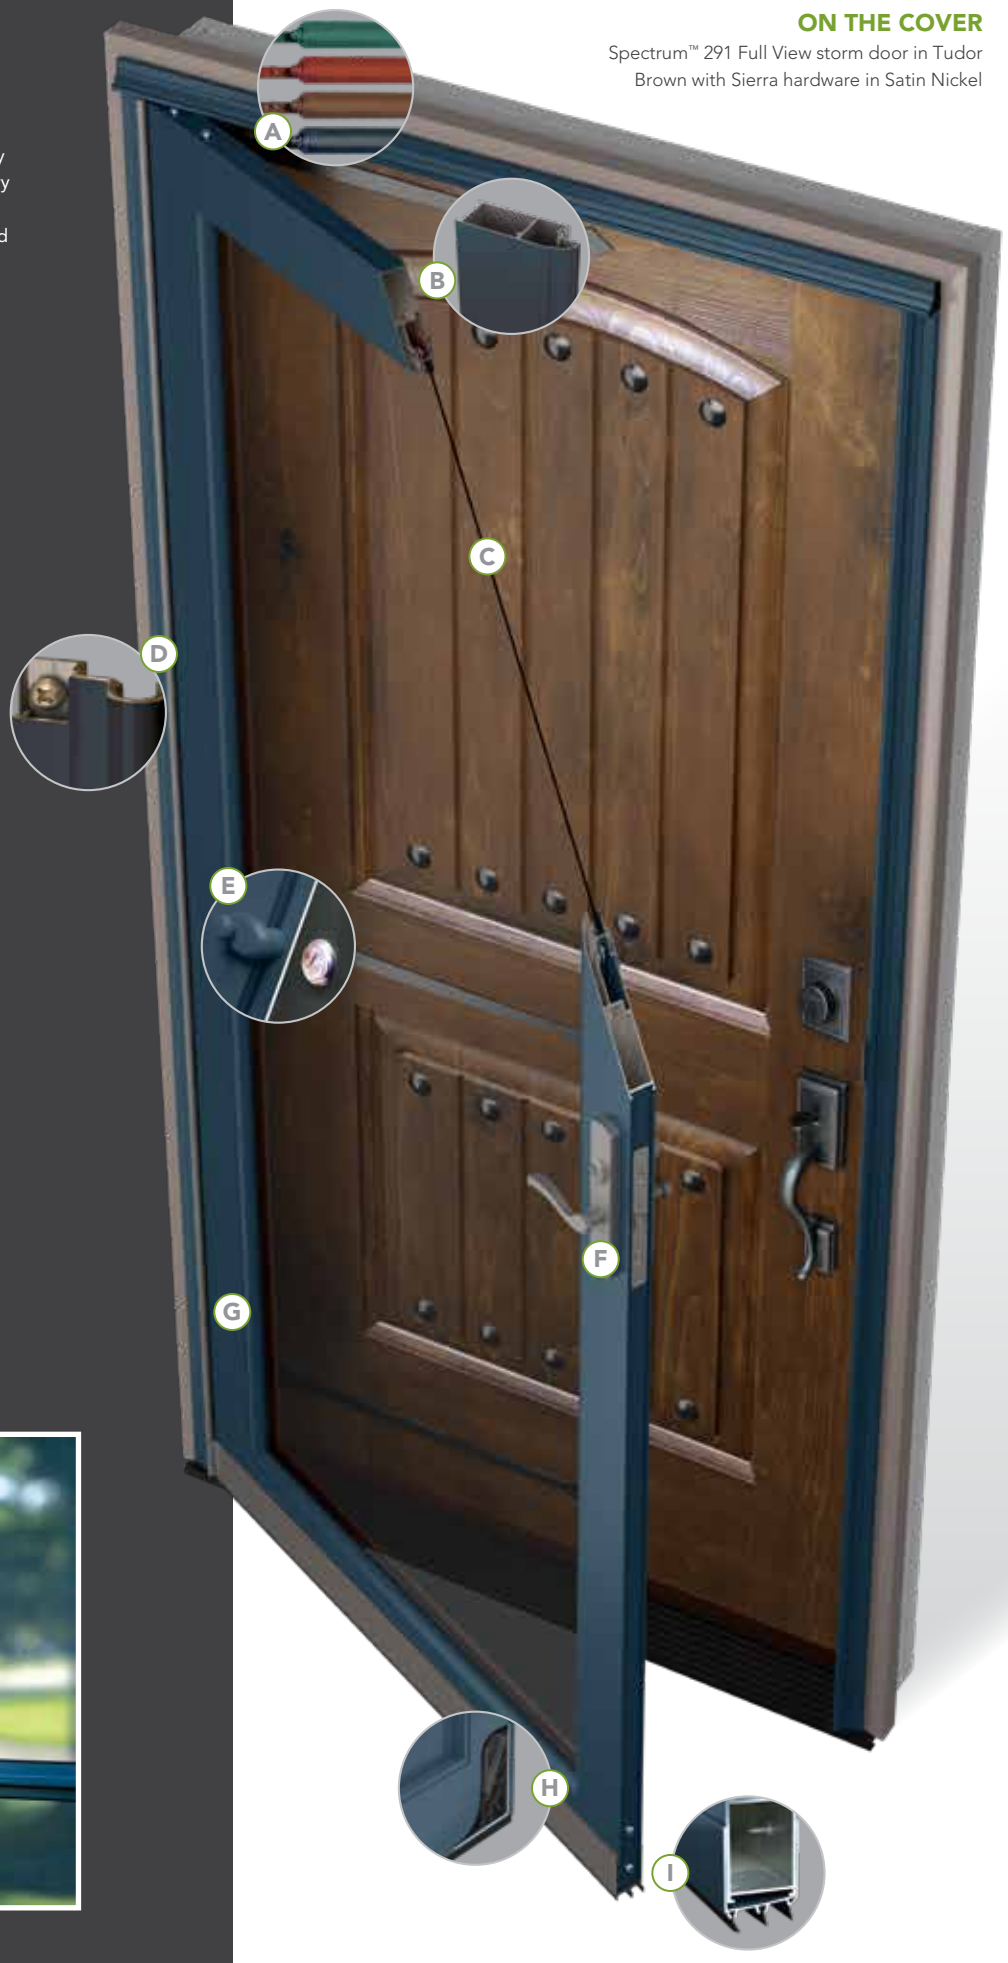

F Each door features quality hardware that adds beauty and functionality to your new storm door.

G Durable, oven-baked polyester finishes are backed by a Lifetime Warranty for lasting beauty and low maintenance.

H Corrosion-proof corner gussets enhance the structural integrity of the door.

I Our bottom expander with sweep allows for a beautiful custom fit to any entry.

ON THE COVER

Spectrum™ 291 Full View storm door in Tudor Brown with Sierra hardware in Satin Nickel

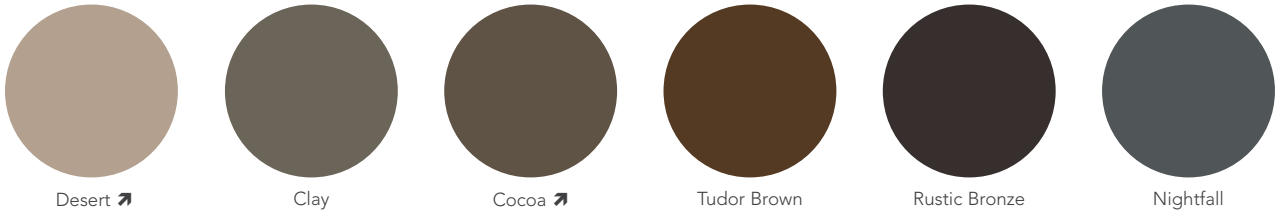

STORM DOOR FINISHES

The ProVia® storm door paint process is computer controlled, ensuring professional quality every time. Paint is electrostatically applied with a vertical hydraulic reciprocator using a turbo disc that atomizes the paint particles for better coverage of contoured extrusions. Our durable, oven-baked polyester finishes are backed by a Lifetime Warranty for lasting beauty and low maintenance.

STORM DOOR FEATURES

TOP STORM DOOR FEATURES

- ✓ Custom sizing availability
- ✓ Can be keyed to match entry door
- ✓ Optional double mortise hardware
- ✓ Custom door configuration ability
- ✓ Ability to match paint color to your ProVia® entry door

SASH/SCREEN CONFIGURATIONS

Invent™ Retractable Screens

- The screens are housed inside the door frame and affixed to the sash rails. Moving the sashes up and down will reveal the screen for ventilation.
- Only available on **Spectrum**™ storm doors.

Stationary Sash/Screen

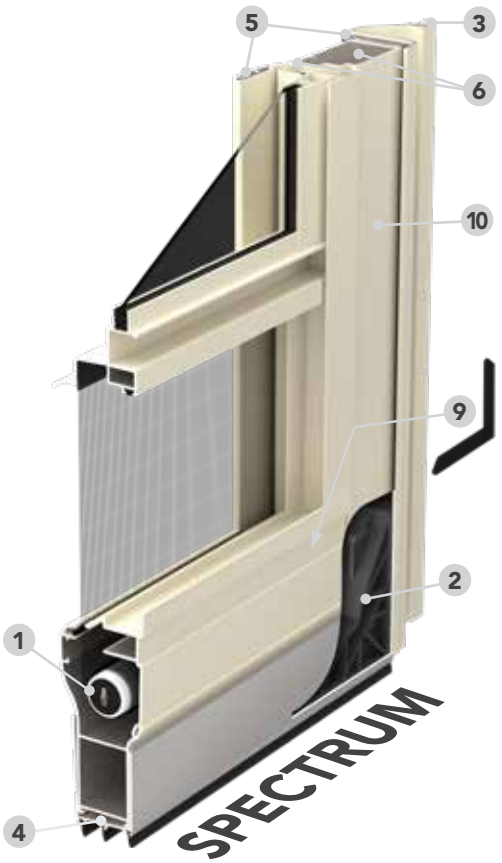

- Either a sash or screen may be ordered to be used interchangeably.
- Sash clips or internal cam locks are built into the storm door to lock the sash or screen in place and keep them secure *(see sash clip/internal cam lock call-out on page 2).*
- Available on all **Decorator**™ models and select **Deluxe**™ and **Superview**™ models.

Duraguard™ Screens

- This specialty storm door features a stainless steel screen that cannot be removed from the frame.
- In select models, a removable sash can be added to fit over the fixed screen when ventilation is not necessary.

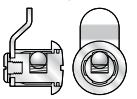

Self-Storing Sash/Screen

- The sashes and screen operate on separate tracks in the storm door to allow ventilation, while eliminating the need for seasonal removal and storage.
- **Deluxe** self-storing models include a full screen and **Superview** self-storing models include a bottom screen.

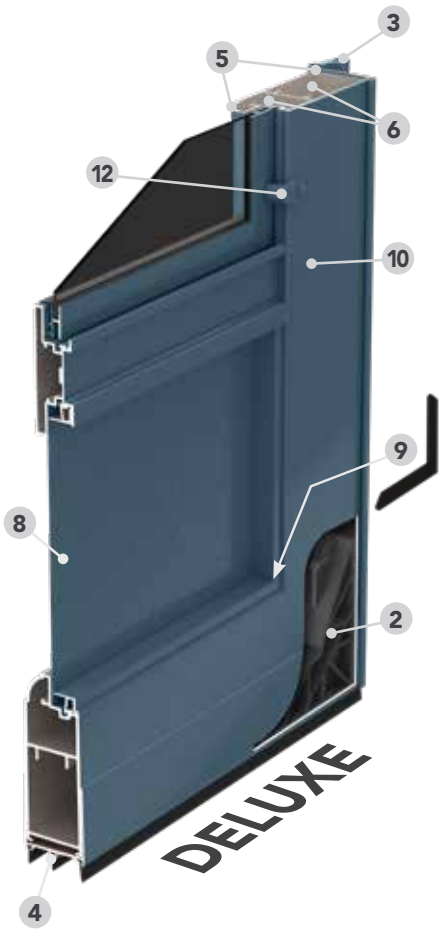

Internal Sash Lock System

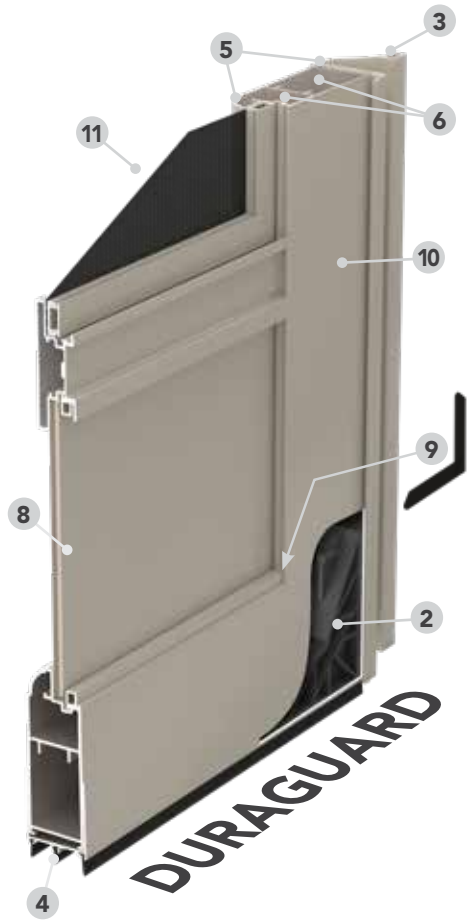

This spring-loaded, flush-mounted lock secures the glass, virtually eliminating rattles and air leaks.

ACCESSORIES & GLASS OPTIONS

All pet doors are factory installed and only available on storm doors with reinforced kickpanels.

Interior Exterior

Standard option for Spectrum™ Storm Doors

RANGER® PET DOOR

Engineered from the best raw materials for a rugged, long-lasting door.

- **Cellular PVC Frame** – Strong, weatherproof, and mold-resistant, and 3,000X more insulating than metal frames.
- **Rugged Flap System** – The insulated flap system is made from premium materials for maximum energy efficiency, pet safety, and durability. The flap has an insulating SBR rubber core, protected with marine-grade canvas on each side.
- **Locking Security Panel** – All door-mounted RANGER dog doors include a locking security panel.
- **DoubleMag™ Technology** for an airtight seal that keeps extreme weather outside.

DOOR SIZE	DIMENSIONS	PET WEIGHT
Small	6" x 10"	up to 20 lbs.
Medium	9" x 13"	up to 40 lbs.
Large	11" x 17"	up to 100 lbs.

COLORS

- Clear flap with white interior/exterior frame and a white locking panel on the interior *(pictured to the left)*.
- Grey flap with black interior/exterior frame and a black locking panel on the interior.

See entryLINK for details

FREEDOM® PET DOOR

- Solid aluminum construction with locking panel
- Soft single flap for tight weather seal
- White mitered aluminum frame
- Only available with heavy-duty closers

Aged Bronze

EASY-SET CLOSER

Enjoy smooth, continuous closing action without the delayed rebound of previous-generation closers. The integrated air release system makes it easy to hold your storm door open—simply give the cap a slight push to engage the hold-open feature. When you're ready to close the door, open it a little farther and the closer releases automatically for a smooth, controlled close. The closer is also color-matched to the storm door for a clean, finished appearance.

PRIVACY GLASS

Choose from Gluechip or Obscure privacy glass if you need light to filter in, yet want to maintain privacy.

Gluechip

Obscure

Bronze

Green

Gray

Blue

TINTED GLASS

Tinted glass can help reduce UV transmittance, solar heat gain and glare. Each tinted glass option provides a room a whole new look, providing its own unique set of benefits.

Disclaimer: Tinted glass images are shown against a white background to highlight the color. Actual appearance will vary based on factors such as the direction the glass is facing, surrounding light conditions, and whether it is shaded or exposed to direct sunlight.

50 YEARS *of* PURPOSE

Thank You for Being Part of Our Story

As ProVia® approaches its 50th Anniversary in 2027, we extend our sincere gratitude to homeowners like you for your trust and support over the years. This milestone is not ours alone. The confidence our customers have placed in us has been an important part of our story and our success.

Our Purpose defines why we exist: *To let our light shine before others, so that they may see our good works and give glory to our Father who is in heaven (adapted from Matthew 5:16).*

The ProVia team has always embraced opportunities to demonstrate our purpose, vision, and values. Each member is committed to serving our customers faithfully, by manufacturing exceptional home exterior products and delivering unmatched quality and service.

That commitment has been part of who we are since Bill Mullet founded the company in 1977. For five decades, our faith has inspired us to serve others with integrity, ingenuity, honor, and honesty. Our commitment to putting customers first and pursuing the highest standards of quality continues to guide everything we do.

Thank you for welcoming us to your home. As we celebrate 50 years, we look forward to serving homeowners like you with the same purpose, passion, and dedication for generations to come.

Brian Miller
