Aluminum Paint Finish:
1. To clean, wash with mild soap and water and treat like your new car finish.
2. If finish is accidentally scratched or chipped, use touch-up paint available from your dealer.
3. To protect finish, spray with vinyl protector or use a high quality auto wax and polish the surface.

Hardware:
1. All hardware will function better if it is cleaned properly.
2. Much like sterling silver, even the finest brass will react naturally to the elements surrounding it. To maintain, polish with a nonabrasive automotive or furniture wax. You may have to clean with brass cleaner if the brass tarnishes. By keeping your hardware cleaned and maintained you will be rewarded with a long lasting finish.
3. Tighten screws when necessary.
4. Clean out the interlocks on double hung windows after exposure to dust.
5. Wipe heavy dust off balance rods on double hung windows. WD–40® should not be used to lubricate balances.
6. Oil hinges on storm doors as needed with a light sewing machine oil.
7. Keep weatherstripping clean of dirt and grit for proper sealing. Wash with mild soap and water. Vinyl and rubber seals can be treated with vinyl protector.

Glass Sash(es):
To Clean the Glass Area that Contains Clear Glass or a Sungate 500® Low-E Coating:
1. Use a soft, clean, high-absorbent, lint-free cloth.
2. Utilize a 50/50 mixture of isopropyl alcohol (rubbing alcohol) and water. This evaporates more slowly than typical cleaners and will keep streaking to a minimum.
3. Spray the cleaning solution on the glass surface to be cleaned. Important! do not wash the glass in direct sunlight.
4. Wipe the cleaning solution off the glass using a circular motion applying light to moderate pressure to remove dirt residue.
5. If this solution does not remove the dirt as desired, any household cleaner can be used.
6. If the household cleaners are used, reduce the area to be cleaned to more easily allow removal of the solution prior to evaporation (which is the cause of streaking). If streaks occur, reduce the area further.
7. Products which foam or lather will help slow the evaporation of the cleaning solution and allow time to remove the residue. They may help “lubricate” the surface which will give the cleaning cloth a more familiar feel, similar to uncoated glass.
WARRANTY CONDITIONS

No warranty herein covers damages resulting from improper installation, abuse, negligence, abnormal or unreasonable use (including failure to provide reasonable and necessary maintenance), damage resulting from fire or lightning, windstorms, earthquakes, windborne objects, storm applied to the unit by movement of the building, inadequate provision for expansion or contraction of framing members, installation in ships or vehicles, installation outside the Continental United States, seal failure (if the seal has been subject to immersion in water), acts of God, or other causes beyond the control of ProVia.

Condensation on units may occur as the natural result of humidity within the house or building area. This natural result may come from changes in interior or exterior temperatures and does not indicate a defect in the unit. This warranty does not cover condensation, nor frost or freezing from condensation on the unit.

On some installations, caulking is used to seal the frames or trim packages against water or air penetration. Caulking is not considered a part of the window or door, and therefore, is not covered under this Warranty. Caulking is normally considered a maintenance responsibility of the purchaser.

The procedure for obtaining performance of the obligations of this warranty is as follows: if you believe your unit to be defective, contact the contractor for inspection. If the contractor determines the unit or parts thereof to be defective, the manufacturer at its exclusive option will repair, provide a new product or part of a product after having determined that it does not conform to the limited warranties contained herein. The manufacturer reserves the right to discontinue or make changes in any of its products. If the products covered by this warranty are not available, the manufacturer shall have the right to substitute a product that is of equal quality or value.

The manufacturer will ship the replacement product or part to the nearest authorized dealer and the purchaser must pay for any and all labor necessary to install such product or part and for the transportation from the nearest authorized dealer to his/her residence.

For the first three (3) years after the date of installation, ProVia will offer to the original purchaser a credit toward installation of twenty-five dollars ($25) for any aluminum storm door unit which ProVia determines to be defective in materials or workmanship pursuant to the terms and conditions of this warranty. It will be the responsibility of the original owner to make arrangements for installation with the dealer.

The warranty on the replacement finish, components, or parts, will be limited to the balance of the time remaining on the warranty of the original finish, components, or parts as the case may be.

Any claim must be accompanied by a copy of the Warranty certificate and a copy of the contract evidencing purchase of the ProVia product.

ProVia SHALL NOT BE LIABLE TO PURCHASER FOR CONSEQUENTIAL DAMAGES, SUCH AS, BUT NOT LIMITED TO, DAMAGES OR LOSS TO OTHER PROPERTY OR EQUIPMENT, LOSS OF USE, OR CLAIMS OF SERVICE INTERRUPTION, FOR BREACH OF ANY WRITTEN OR IMPLIED WARRANTIES ON ITS PRODUCT.

PURCHASER’S EXCLUSIVE REMEDY SHALL BE THE REPLACEMENT OF DEFECTIVE FINISH, COMPONENTS, OR PARTS, ALL AS PROVIDED HEREIN. IN ANY EVENT, THE LIABILITY OF ProVia WITH RESPECT TO ANY CONTRACT, OR ANYTHING DONE IN CONNECTION THERewith SUCH AS THE PERFORMANCE OR BREACH THEREOF OR FROM THE MANUFACTURE, SALE, DELIVERY, RESALE, INSTALLATION OR TECHNICAL DIRECTION OF INSTALLATION, REPAIR OR USE OF ANY STORM DOOR, STORM WINDOW, REPLACEMENT WINDOW, COMPONENT OR PART COVERED BY OR FURNISHED UNDER THIS CONTRACT WHETHER IN CONTRACT, IN TORT, UNDER ANY WARRANTY, OR OTHERWISE, SHALL NOT, EXCEPT AS EXPRESSLY PROVIDED HEREIN, EXCEED THE PRICE OF THE STORM DOOR, STORM WINDOW, REPLACEMENT WINDOW, PART OR COMPONENT ON WHICH SUCH LIABILITY IS BASED.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to purchaser.

This writing contains the entire agreement between ProVia and Purchaser. Dealers, contractors, applicators, or distributors of ProVia products have no authority to give warranties on ProVia’s behalf, that are different from or exceed those listed herein. Purchaser should therefore examine this limited warranty carefully.

ALL WARRANTIES, WHETHER EXPRESSED OR IMPLIED, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE LIMITED TO THE TERMS HEREOF.

Some states do not allow limitations on how long an implied warranty lasts; so the above limitations may not apply to purchaser. This Lifetime Limited Transferable Warranty extends only to the original ProVia storm doors, storm windows and/or replacement windows which were originally installed in your Home or other structure as recorded on the warranty registration and shall not be valid or enforceable if you cannot prove that the storm doors, storm windows and/or replacement windows were so installed. To establish a record of your purchase please register your warranty online at www.provia.com/warranty.

Important Note: Failure to fill out the online warranty registration form will not affect your rights under the warranty if you can show the date of purchase and the location the storm doors, storm windows and/or replacement windows were installed in a reasonable way. (Your receipt of purchase and the receipt from the contractor who made the installation in your Home showing the address is one such way. Please keep them in a safe place.)

This warranty gives purchaser specific legal rights and he or she may also have other rights which vary from state to state.
