ENTRY DOORS

Hand-crafted Doors in Custom Sizes and Finishes

ProVia® offers one steel and three fiberglass entry door lines that meet the highest standards for beauty, durability, and energy efficiency. These professional-grade exterior doors boost curb appeal and offer protection and security.

(left) Legacy™ 116 style smooth steel door in Coal Black with satin brass Emtex® Melrose handleset and two sidelites

(right) Signet® 002C-449 style cherry fiberglass door in Natural Leather glaze with hinge straps, clavos, oil rubbed bronze Emtex® Davos handleset, and two sidelites featuring Waterfall privacy glass

EMBARQ[®] FIBERGLASS DOORS

The Embarq fiberglass entry door from ProVia sets the standard for exceptional energy efficiency. The innovative design of this ENERGY STAR certified door includes a polyurethane core with four times the insulating value of a typical wood door.

Embarq 440-2P style door stained Hazelnut with Laurence decorative glass, paired with Chinchilla privacy glass sidelites

HERITAGE[™] FIBERGLASS DOORS

Heritage fiberglass doors feature enhanced woodgrain texture, improved definition embossing, and a hardwood edge to prevent warping.

Heritage 430-2P style smooth fiberglass door painted Rustic Bronze featuring Gluechip privacy glass and antique brass Schlage[®] Georgian knob with deadbolt

SIGNET[®] FIBERGLASS DOORS

The warm woodgrain shades of cherry, mahogany, oak, knotty alder, and fir make Signet fiberglass doors a welcoming entry to any home.

Signet 440-2P style oak fiberglass door in Truffle stain with black Schlage[®] Century handleset and two sidelites featuring SDLs

LEGACY[™] STEEL DOORS

Legacy steel doors can be customized to your specifications. We offer a wide array of styles, widths and heights, finishes and colors, textures, and embossing.

Legacy 430-2P style smooth steel door in Sandstone with black Emtek[®] Manhattan handleset and two sidelites featuring Laurence decorative glass

PATIO DOORS

Sliding and Hinged Patio Doors for Any Design or Budget

ProVia® offers patio doors that provide attractive, maintenance-free entryways for your home. The Aeris™ sliding glass door features a vinyl exterior and real wood interior that can be painted or stained, while Endure™, Aspect™, and ecoLite™ patio doors are constructed of an exclusive PVC formula for durability and strength.

ProVia also offers hinged patio doors built from the same solid construction as its Signet® and Heritage™ fiberglass entry doors, and Legacy™ steel entry doors. Hinged patio doors feature one swinging door with a sliding screen, plus a fixed glass unit. ProVia hinged patio doors are available as 2 or 3-lite units.

(left) Legacy 460 style smooth steel French door in Coal Black with black Schlage® Accent keyed lockset and one sidelite

(right) Endure 4-lite sliding patio door in White featuring white interior retractable blinds and satin nickel Signature hardware

AERIS™ PATIO DOORS

The Aeris sliding glass door features a vinyl exterior and real wood interior that can be painted or stained. Our vinyl sliding glass patio doors are tested against the most stringent industry standards for air and water infiltration, wind-load resistance, ease of operation, forced entry and much more.

Aeris cherry wood 3-lite sliding patio door in Hazelnut stain with bright brass Signature hardware

HINGED PATIO DOORS

ProVia's hinged patio doors are available in 2 or 3-lite units. They are constructed with the same high-quality materials and workmanship as Signet® and Heritage™ fiberglass, and Legacy™ woodgrain textured or smooth steel entry doors.

Legacy 460 style smooth steel hinged patio door in Rustic Bronze featuring white interior retractable blinds

ENDURE™ PATIO DOORS

All-vinyl construction with double and triple-pane glass for peak energy efficiency.

Endure 3-lite patio door in White with black Signature hardware

ASPECT™ PATIO DOORS

Energy savings, simplified with glass options including privacy glass and internal blinds.

Aspect 2-lite sliding patio door in White featuring white interior retractable blinds and satin nickel hardware with keylock

ECOLITE™ PATIO DOORS

All-white interior and exterior available with privacy glass, tinted glass, and internal grids.

EcoLite 2-lite sliding patio door in White

STORM DOORS

Durable, Attractive Storm Doors Provide Additional Protection for Your Home

VINYL SIDING

ProVia® Vinyl Siding is the Professional Choice

ProVia specializes in elegance and endurance. Our professional-class siding has the look and texture of wood, enhanced with the durability and strength of vinyl.

(left) Cedar Peaks® 4.5" clapboard in Sea Slate

(right) Cedar Peaks® 8" board 'n batten in White

CEDARMAX[®] INSULATED VINYL SIDING

CedarMax combines rigid foam EPS insulation with our Super Polymer vinyl siding for an impressive combination of beauty, durability, and energy efficiency.

CedarMax 6" clapboard in White

CEDAR PEAKS[®] VINYL SIDING

Cedar Peaks features a natural patina finish that is artfully crafted to represent the look of natural cedar wood.

Cedar Peaks 4.5" dutch lap in Pewter

HEARTTECH[®] VINYL SIDING

Showcasing an authentic oak woodgrain texture, HeartTech siding offers a wide array of color options to easily coordinate with your home's exterior.

HeartTech 5" dutch lap in Mountain Berry

WILLOWBROOK™ VINYL SIDING

Willowbrook offers long-lasting durability which means your home will keep its charm and value for years to come, with very little exterior maintenance required.

Willowbrook 4" dutch lap in White

ULTRA™ VINYL SIDING

For value and structural integrity, Ultra is an excellent choice, providing exceptional color retention and weather and impact resistance.

Ultra 4" clapboard in Sandalwood

HARBOR MILL™ VINYL SIDING

The authentic look of Harbor Mill shingle and shake siding is reminiscent of traditional sawn and split cedar shakes and shingles.

Harbor Mill 8" staggered hand-split shake in Pueblo

MANUFACTURED STONE

Artfully Crafted for the Look of Authentic Stone

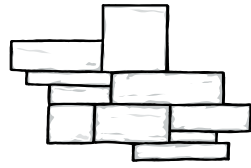

ProVia® uses only the highest quality Portland cement, crushed aggregate, and pigments to create durable, beautifully realistic stone veneer. Our stone artists put pride and passion into every stone they craft.

METAL ROOFING

Lifetime Metal Roofing with the Look of Authentic Shake, Slate, and Barrel Tile

Our highly engineered galvanized steel roof system is extremely durable and resistant to strong winds, hail, and harsh UV rays. It's designed to be the last roof you'll ever need on your home.

(left) Barrel Tile metal roofing in Terracotta

(right) Shake metal roofing in Briarwood

SHAKE METAL ROOFING

ProVia® Shake metal roofing offers the texture and variegated brown and gray coloring of authentic hand-split cedar. This profile pairs beautifully with Craftsman and Farmhouse architecture.

Shake metal roofing in Shadewood

SLATE METAL ROOFING

ProVia® Slate metal roofing is ideal for both classic Tudor or Colonial architecture, as well as modern and contemporary home design.

Slate metal roofing in Ironstone

BARREL TILE METAL ROOFING

The cascading barrel profile and baked-earth color palette perfectly complement Mediterranean, desert, and coastal architectural design.

DISCOVER MORE

WEBSITE

ProVia.com makes it easy to explore and compare numerous door, window, siding, stone, or roofing options in a straightforward, interactive way. Configure a door or window, visualize products on your home, explore color palettes, and learn about different architectural styles—all from our innovative Design Center. Save your favorite products, colors, photos, or ideas throughout the site into your own ProVia portfolio for reference any time and share them across your favorite social media platforms.

VISUALIZER

Let your imagination run free with this exterior home design tool. Select from a library of existing home styles or upload a photo of your own home. In a few easy steps, update your siding color, add stone or metal roofing, configure windows, or create a one-of-a-kind entry door system. Looking for professionally inspired color and product palettes? Apply one of our pre-selected Designer Collections to create a curb-appealing look.

APP

Use the ProVia app to configure doors and windows or select from an extensive collection of vinyl siding, manufactured stone, and metal roofing styles.

SOCIAL MEDIA

We love seeing how you apply our products to your home. Please share your photos with us on our Facebook, Instagram, or Houzz pages.

“To serve, by caring for details in ways others won’t.” It’s not just our mission, but a way of letting our light shine every day at ProVia®. We continually strive to put these words into action by providing unmatched quality and service. The P-icon symbolizes each employee’s commitment to devoting the utmost care, pride and quality into each building product we manufacture... it’s The Professional Way.
