Finish:
1. To clean doors, wash with mild soap and water, rinse with clear water and wipe dry.
2. Keep weatherstrip clean of dirt and grit for proper seal. Wash with mild soap and water, rinse with clear water and wipe dry. Apply a light coat of wax and wipe off excess.
3. For scuff marks on painted finishes, use mild liquid cleanser, rinse with clear water and wipe dry.
4. If finish is accidentally scratched or chipped, clean as recommended above and use touch-up paint supplied or standard wood finish repair crayon.

Hardware:
1. Much like sterling silver even the finest brass will react naturally to the elements surrounding it. To maintain, polish with a nonabrasive automotive or furniture wax. By keeping your hardware cleaned and maintained you will be rewarded with a long-lasting finish.
2. Tighten screws on lockset and hinges when necessary.
3. Lightly oil hinges as needed. Wipe off excess.

Caution:
DO NOT USE paint thinners, lacquer thinner, gasoline, kerosene or any other harsh chemical to clean surfaces of door or hardware.
